Details:

Our board has suggested that the parents pay a minimum of \$125.00 per camper. Stoney has some people that will assist a camper in attending a camp session. These funds are limited and are available on a first come first served basis. Stoney requests that parent or guardian request the minimum amount of assistance. Stoney is underwritten by people that are interested in kids having an opportunity to attend a camp session and by the camp fees. Camp fees don't cover the full cost of a camp session. Campers that receive help may be asked to write an anonymous thank you note to the sponsor.
