Camp session that you wish to attend: _____

Camp cost \$ ____ . ____

Dollar amount that the parent or guardian can provide: \$ ____ . ____

Amount of assistance requested \$ ____ . ____

The cost for an average week of camp is \$650.00 per camper. The Board has set the fees at \$425.00 per week. Our fees cover roughly 50% of the cost of a camper for one week of camp. We understand that the regular fees are still difficult to come up with. For that reason, we have established a campership fund. Generous donors have given money to a fund which will assist kids who wish to come to camp the ability to do so. **We do not have unlimited funds, so we ask you to cover a minimum of \$250.00 per request** and if you can top that up, we will use that money to help other kids come to Stoney.

Details of the campership program:

- 1) The board of Stoney Lake Bible Camp requests that parents/guardians contribute *at least* \$250.00 per camper. If you can contribute more, this allows more campers who are in financial need the opportunity to request financial help.
- 2) These funds are limited and are available on a first come first served basis.
- 3) This campership only covers a portion of the registration fee costs and does not cover the cost of any paid skills.
- 4) Campers requesting campership must contribute their own funds for tuck (spending money).
- 5) Campers that receive help may be asked to write an anonymous thank you note to the sponsor.
